

## Tarot Rider-Waite-Smith (RWS)

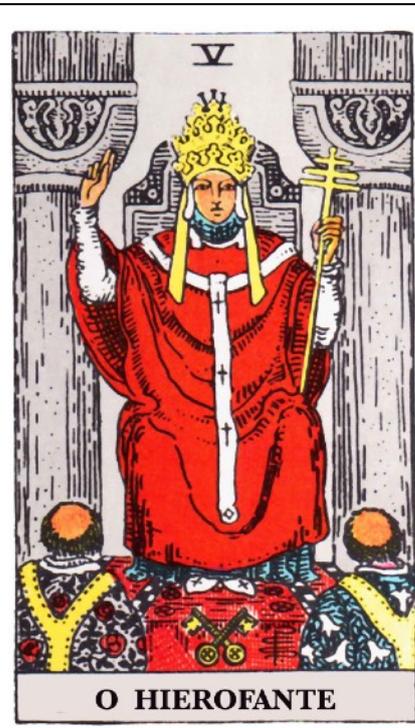

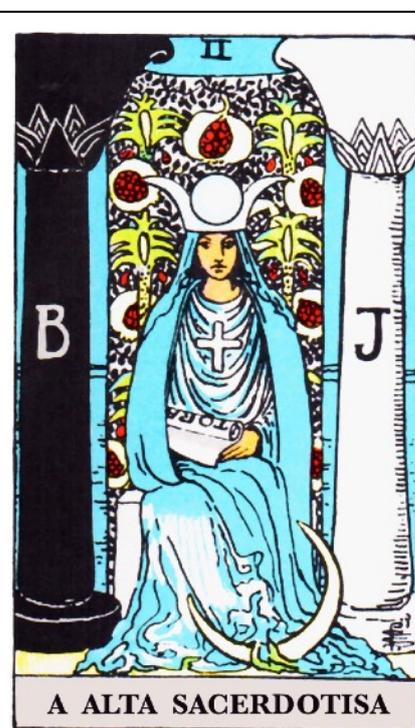

O tarô RWS foi ilustrado pela artista Pamela Colman Smith em 1909, em coordenação com o ocultista Arthur Edward Waite. Publicado originalmente pela editora inglesa Rider em 1910, atualmente é o tarô mais popular de todos, publicado em várias versões, por várias editoras. As cartas abaixo foram levemente recoloridas com base em uma versão de domínio público e traduzidas para o português por Tarot Diário Blog.
